

Australian Masters Athletics Championships

Adelaide 16 – 19 April 2016

Reach for your Vision

Need a reason to enter the 2016 AMA National Track & Field Championships in Adelaide, 16 - 19 April 2016?

Here are a few:

- It is the last significant Track and Field Championship before the World Championships in Perth. You will have a wonderful opportunity to measure your standing and still have six months to fine tune your performance.
- As the Championships are not being held at Easter this year, the shops and all other facilities will be open in Adelaide throughout the Championships. So enjoy your competition and your time in Adelaide and South Australia.
- The weather is generally fine in April with Max/Min around 22/12 and only a 20% chance of rain – perfect for competition.
