

36th Annual AMA National Championships

SYDNEY 2008

RESULTS

On behalf of NSW Masters Athletics Inc, host of the AMA National Championships 2008, I would like to thank you for taking part in the championships and herein present the official results. The annual championships provide a great opportunity for masters athletes from all over Australia to come together and celebrate their enthusiasm for the sport and for keeping active generally. These championships were successful from a number of points of view:

There were many fine performances including two world records: David Carr (WA) in the M75 2000m steeplechase and the W35 4x100m relay team of Gianna Mogentale, Ranell Hobson, Kylie Strong (all NSW) and Julie Brimms (QLD).

A central hotel location was used, enabling athletes to use a free shuttle bus to the track every day.

Assistance with airport transport was organised and used by a number of athletes.

A number of TAFE student volunteers were used to improve the administration of the whole event.

Age-graded awards

The following athletes recorded the best age-graded performances in their respective event categories:
