

CLUB MEMBERSHIP

The current club membership runs from 1st April to 31st March. This causes us perennial problems with managing the Sunday run program and with registration of T & F athletes for National championships.

We are therefore changing the membership year, (as distinct from the financial year), to run from 1st January to 31st December. We are also introducing a \$10 joining fee for new members and for members who let their membership lapse and then rejoin. This is to cover administration costs.

New members joining after 1st January 2014 will pay a 12 month membership fee. Current members renewing in March 2014 will pay pro rata for 9 months to take them to 31st December 2014.

A 2014 form for new members and for lapsed members rejoining will be available online and hard copy from 1st January 2014. The form for renewing members will be released in March 2014 and current members should not renew until then.

In future the Sunday run program will be issued in December each year to cover the following calendar year. This aligns with the Marathon Club and makes it easier for us to avoid clashes with other runs.

If you have any questions on this, please speak to a committee member.
